

I / We pledge to save our Earth.

I / We commit to doing and learning as much as we can.

- Check the boxes -- what works for you?
 - Stretch your limits.
 - Talk about it.
- Work together -- we're in this together.

GO FOR IT!

- educating myself about Climate Change
- asking my children what they think we should do – it's their Earth
- avoiding fossil fuels (oil, gas, coal) by using green, renewable energies and technologies in my home / workplace (ie. solar, wind, heat-pumps, etc.)
- registering to vote and VOTING "EARTH FIRST!" in all elections
- researching my elected officials about their stances on climate issues
- encouraging my elected officials to support wind power, solar power, EVs and other positive changes needed to reduce CO2 growth (ex. legislating fees on carbon)
- Joining one of Blue Hills Climate Action Coalition member organizations (or donating)
- My/ Our own _____

TRANSPORTATION

- walking, biking, or taking public transportation whenever possible
- driving less
- flying less (once less per month or per year); purchasing offsets to benefit a cause
- buying an electric vehicle (EV)
- My/ Our own _____

FOOD

- eating one or more less meat meal(s) weekly
- buying locally grown foods from local sources
- learning how things grow and growing some of my own food
- joining a local CSA farm (Community-Supported Agriculture)
- My/ Our own _____

GARDENING / PROPERTY MANAGEMENT

- composting my food scraps / mulching my leaves
- using a hand push-mower or rechargeable plug-in to mow my lawn
- not using quick-release lawn fertilizer or harsh pavement ice-solvents
- using battery-operated carpentry and garden tools / equipment
- My/ Our own _____
